PIONEER PROJECTS & TECHNICAL SERVICES LLC

YOUR PARTNER FOR INDUSTRIAL SERVICE SOLUTIONS IN OMAN.

OUR MISSION

To be the premier partner for industrial service solutions in Oman. We empower our clients by delivering customized, high-performance equipment and comprehensive support, ensuring operational excellence across key sectors.

OUR VISION

To drive industrial progress in Oman by setting the standard for reliability, innovation, and partnership. We envision a future where our solutions are essential to our clients' efficiency, safety, and long-term success.

PIONEER CORE VALUES

Partnership: Your success is our success. We earn your trust through dedication.

Integrity: We act with complete transparency and accountability.

Ownership: We proactively solve problems and take full responsibility for our work.

Nimbleness: We embrace change, adapt quickly, and learn from mistakes.

Excellence: We deliver cutting-edge, high-quality solutions that exceed expectations.

Ethics: Our actions are guided by honesty, fairness, and respect for every individual.

Resilience: We persevere through challenges, seeing setbacks as chances to grow

ABOUT US

As an ISO-certified leader in Oman, Pioneer Projects & Technical Services LLC delivers customized industrial solutions designed to meet your unique operational challenges. We specialize in high-performance cleaning equipment, utility vehicles, and essential industrial components, serving key sectors like seaports, airports, construction, logistics, and hospitality.

A COMMITMENT TO FULL-SERVICE SUPPORT

We believe that true partnership means supporting your success at every stage. Our dedicated team of experienced sales and service engineers ensures your equipment operates at peak performance throughout its life cycle. Our comprehensive support includes:

- **Expert Repair & Maintenance**

Our certified technicians provide prompt, professional service to minimize downtime and maximize the longevity of your assets.

- **On-site Operator Training**

We empower your team with the knowledge to operate all machinery safely and efficiently through hands-on, on-site training.

- **Complete Parts Inventory**

We maintain a robust inventory of genuine parts and accessories, ensuring quick access and seamless maintenance.

OUR PRODUCT & SERVICE PORTFOLIO

- **Powerful Cleaning Equipment for Industrial & Municipal Demands:**

From the factory floor to airport runways, our specialized cleaning equipment is engineered for heavy-duty performance. We provide solutions designed for the most challenging environments in construction, heavy industry, and cleaning companies.

OUR DIVERSE PRODUCT LINEUP

- **Industrial Vacuums**

High-powered vacuums for heavy-duty applications in warehouses and industrial facilities.

- **Road Sweepers:**

Robust sweepers for maintaining cleanliness in urban areas, large factories, and logistical hubs.

- **Airport Runway Sweepers**

Specialized sweepers designed for the critical task of debris removal on airport runways.

- **Multi-Hog Multipurpose Sweepers**

Versatile machines for year-round sweeping, washing, and snow removal in a variety of sectors.

- **Beach Cleaning Machines**

Innovative machines that rake and sift sand to keep beaches and resort grounds clean and safe.

- **High-Pressure Cleaning Systems**

Powerful systems for efficient sanitation and deep cleaning of surfaces in construction sites and industrial facilities.

- **Dust Spray Cannons**

High-performance cannons for effective dust suppression in construction and mining operations.

- **Vehicle Washing Systems**

Automated and manual systems for quick and effective cleaning of vehicles in logistics, construction, and fleet services.

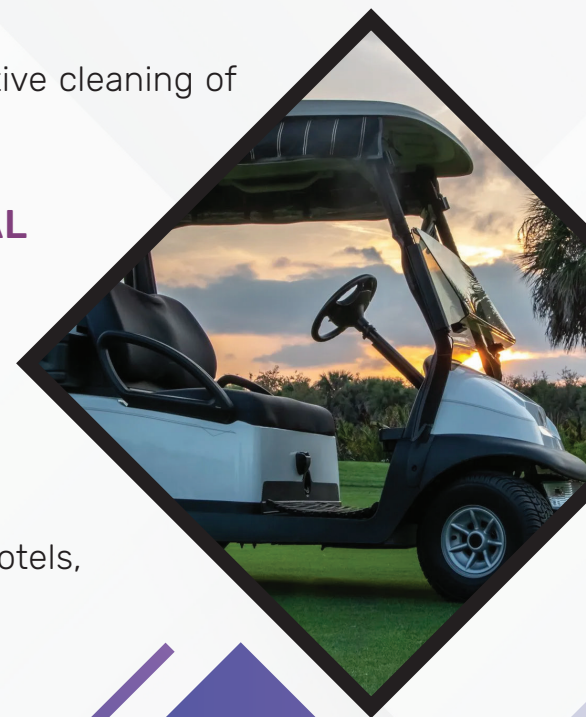

ESSENTIAL UTILITY VEHICLES FOR COMMERCIAL AND INDUSTRIAL USE

Our reliable utility vehicles provide efficient and dependable solutions for a variety of tasks, from transporting people at a resort to moving materials in a warehouse.

GOLF CARTS

Our golf carts are designed to meet the unique needs of hotels, resorts, and airports.

- Golf Course Carts
- Enclosed Golf Carts
- Hotel Golf Carts
- Airport Golf Carts
- Resort Golf Carts
- Wheelchair Accessible Golf Carts
- Golf Cart Food Carts & Trucks

FORKLIFTS

We offer a comprehensive selection of forklifts to optimize your **material handling, logistics, and heavy industrial operations.**

DIESEL FORKLIFTS

Powerful and durable for heavy-duty outdoor use on construction sites and in sea ports.

ELECTRIC FORKLIFTS

- Counterbalance Electric Forklifts:

Versatile and efficient for general warehousing and logistics.

- Reach Trucks

Ideal for high-density storage and narrow aisles in distribution centers.

SPECIALIZED FORKLIFTS

- Rough Terrain Forklifts (Telehandlers)

Built for challenging outdoor conditions in construction and mining.

- Order Pickers

Designed to efficiently handle order fulfillment in warehouses.

- Side Loaders & Multi-directional Forklifts

Perfect for long loads and tight spaces in manufacturing and timberyards.

RELIABLE COMPONENTS TO POWER YOUR INDUSTRIAL OPERATIONS

We provide high-quality industrial components, including batteries and tires, engineered to meet the demanding requirements of your equipment and applications in **warehousing, mining, and heavy industry.**

INDUSTRIAL BATTERIES

Our rechargeable batteries are built for performance and durability, serving a wide array of industries including material handling, mining, and renewable energy.

- Material Handling Equipment (MHE)
- Mining Industry Batteries
- EV Battery Semi-Traction
- Golf Carts, RV, & Marine
- Forklifts, Stackers, & Pallet Trucks
- Solar Industry
- UPS, Data Centers, & Home Inverters
- Telecom Industry

SOLID TIRES

Our solid tires are designed for maximum durability and are particularly well suited for demanding applications where pneumatic tires are impractical.

They are essential for sea ports, construction, and mining where puncture resistance is critical.

- **Construction & Infrastructure:** Ideal for unforgiving work sites.
- **Ports, Logistics, & Warehousing:** Offers stability and puncture resistance for material handling equipment.
- **Heavy Industrial & Mining:** Built to withstand extreme wear and tear.

SPECIALTY TIRES

We also supply a range of specialty tires for specific equipment used in key sectors:

- Passenger Boarding Bridge Tires (Airports)
- Ground Support Equipment (GSE) Tires (Airports)
- Trolleys, Carts, & Dollies Tires (Logistics & Hospitality)

DIESEL GENERATOR SERVICES

We provide comprehensive service and maintenance to guarantee the optimal performance and longevity of your generators. Our services range from routine inspections and preventative maintenance to load bank testing and emergency repairs.

WHY CHOOSE US?

Your Trusted Partner in Quality and Reliability.

Our key advantages include:

- **ISO-CERTIFIED EXCELLENCE**

A globally recognized commitment to quality, safety, and operational excellence.

- **EXPERT TECHNICIANS YOU CAN COUNT ON**

Certified, experienced, and continuously trained professionals delivering top tier service.

- **SWIFT RESPONSE, SEAMLESS OPERATIONS**

Rapid response and quick turnaround times for emergency repairs and service requests—keeping your operations running smoothly.

- **AUTHENTIC SPARE PARTS**

We use only original components used to ensure optimal performance, durability, and safety.

- **CUSTOMIZED MAINTENANCE PROGRAMS**

Custom-designed maintenance solutions that align your specific operational demands and schedules.

- **GLOBAL BEST PRACTICES**

Our services are guided by industry-leading standards and the latest technological innovations.

At **Pioneer Projects & Technical Services LLC**, we understand that industrial operations depend on the seamless performance of machinery and equipment. Our goal is to ensure your operations remain uninterrupted, efficient, and safe—through proactive maintenance strategies and responsive technical support.

We are not just a service provider—we are your strategic maintenance partner, helping you achieve consistent productivity and operational resilience every step of the way.
